

ORDINANCE NO. 3515 C.S.

AN ORDINANCE OF THE COUNCIL OF THE CITY OF MONTEREY

AMENDING MONTEREY CITY CODE, CHAPTER 19 ARTICLE 4, SECTION 19-103  
SCHEDULE OF FEES AND SERVICE CHARGES

THE COUNCIL OF THE CITY OF MONTEREY DOES ORDAIN, as follows:

SECTION 1:

WHEREAS, the Council of the City of Monterey finds that on June 2, 1992, the Council of the City of Monterey adopted Ordinance 3100 (now codified as Monterey City Code Article 4 Chapter 19, Establishing a Fee and Service Charge Revenue/Cost Comparison System) with the intent to require the ascertainment and recovery of costs reasonably borne from fees, charges and regulatory license fees levied therefore in providing the regulation, products or services enumerated therein;

WHEREAS, the City of Monterey determined that the proposed action is not a project as defined by the California Environmental Quality Act (CEQA) (CCR, Title 14, Chapter 3 ("CEQA Guidelines"), Article 20, Section 15378). In addition, CEQA Guidelines Section 15061 includes the general rule that CEQA applies only to activities which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. Because the proposed action and this matter have no potential to cause any effect on the environment, or because it falls within a category of activities excluded as projects pursuant to CEQA Guidelines section 15378, this matter is not a project. Because the matter does not cause a direct or any reasonably foreseeable indirect physical change on or in the environment, this matter is not a project. Any subsequent discretionary projects resulting from this action will be assessed for CEQA applicability;

WHEREAS, the City's Master Fee Schedule, adopted by Resolution by the City Council, provides a comprehensive list of City services for which fees are charged; and

WHEREAS, this amendment to Monterey City Code Section 19-103 adds a new fee category for Mobile Food Vending Permits with 100% recovery of costs reasonably borne.
